

Mesquite Oasis RV Park

Pet Policy

We welcome your pets, as long as they are current on all of their shots and they are not aggressive.

Your pets must be kept within your site and when they are off of your site they must be leashed or in your arms.

You are welcome to put up your own kennel on your site to keep your pet in when they need to be outdoors. We request that if you keep your pet outdoors that they not be a barking nuisance to your neighbor, or bark all night.

You are required to clean up after your pet at all times throughout the entire park. If you don't, and we have to clean up after them then we will have to charge you.

We reserve the right to refuse and/or will be asked to move if:

- 1. Pets that create a nuisance**
- 2. Pet owners who do not follow the rules**
- 3. There are too many pets on a site (to be determined by the management).**
- 4. If you continually do not clean up after your pets**

We are pet owners, but we ask that all of our tenants respect others who may or may not be pet lovers. Thank you, the management
